

# Fairytale Dreams Program

## Prom Application

The Fairytale Dreams Program is a non-profit project that provides prom gowns and accessories (as available) to those who could not otherwise afford them. To be eligible, you must meet the following criteria:

- ✓ You must be a junior or senior currently enrolled in a high school with a hardship
- ✓ The prom gown must be used for your high school's prom (you can't receive a dress to attend someone else's prom)
- ✓ You must have your guidance counselor, teacher, other school official or social worker sign your application, certifying your need. Your application will be returned without this signature
- ✓ Remember, gowns are available on a first come, first served basis. Receiving a gown is not guaranteed.
